# Gotland badminton Tournament

Welcome to Sweden's only international competition in badminton during the summer. Gotlandsspelen (Gotland Badminton Tournament) will now be held for the 26:th year. Gotlandsspelen is scheduled week 26, which means you will be visiting Visby during the nicest time of year. Experience and enjoy countless possibilities of recreation including the sun, beaches, the sea and culture. Gotland is well known as one of Sweden's best entertainment attractions. Last year the games were visited by 260 participants from 5 countries: Sweden, Denmark, Finland, England and Russia. A wide span of players, from professionals to amateurs, youth and veterans, all competed in the tournament. We hope the interest for the competition will be at least as high this year.

Even this year Gotlandsspelen will be held in Wisby Rackethall. One of Sweden's most beautifully located gymnasiums with a breathtaking view of Baltic Sea. The gymnasium is centrally located north of Visby old town. If you care to go for a swim nearby, Norderstrand or Gustafsvik, is within walking distance. Nearby the gymnasium there are jogging trails in very nice surroundings.

*Take your family and friends along and enjoy a wonderful summer week on Gotland.*

*Gotland Badminton Federation invites all badminton players to participate in Gotlandsspelen. Sweden's only summer competition in badminton. Now with an internationally high class starting field*
